

**To begin using your QR code charging system, follow the following steps.**

Clean, dry and then apply the provided QR code label to the front of the unit, on the bottom-right, as depicted below. The adhesive is permanent so care should be taken in aligning and applying the QR label, so care should be taken in aligning and applying the QR label.

Contact support at **(888) 342 - 7383** or email **support@evercharge.com**, and provide them with the five (5) character code on the front of the label and the serial number of the unit it was applied to. If this step is not completed then the QR code will not work. The serial number can be found on the label on the side of the unit near the button.

**EXAMPLE:**

***QR Code - Serial number of unit it is applied to***

**8ABCD - EV2482122010303388**
